"I hereby state that to the best of my knowledge, information, and belief, the survey shown herein was made in accordance with the requirements of the Minimum Standards Manual for the Practice of Land Surveying in South Carolina, and meets or exceeds the requirements for a Class A survey as specified therein; also there are no visible encroachments or projections other than shown. This is to certify that I have consulted the Federal Insurance Administration Flood Hazard Boundary Map and found that the above described is not located in a special flood hazard area."
